EDUCATION

Sharda Vidhya Mandir

Cosway Road Surat
std : 10-12

Indian Institute of Information Technology Surat

Kholvad, Kamrej, Surat, Gujarat

Bachelor of Technology : CSE (Computer Science and Engineering)
CGPA - 7.24
Undergraduate

SUMMARY

A motivated computer science undergraduate with a strong foundation in frontend development and problem solving. Proficient in modern web technologies and focused on building efficient, user-friendly interfaces. Demonstrates analytical thinking, adaptability, and a commitment to continuous learning while maintaining a disciplined approach to coding standards and best practices.

PROJECTS

Personal Portfolio Website | React / HTML / CSS / JavaScript

- Designed and developed a personal portfolio website to showcase projects and skills.
 - Implemented responsive layouts for mobile and desktop devices.
 - Added interactive project and contact sections.
 - Deployed the website with optimized UI performance.
 - Visit Here tejasambaliya.me

Text-analyzer.tech | React, JavaScript, REST APIs

 - Developed a responsive React-based web application for real-time text analysis and transformation.
 - Implemented features like word/character count, case conversion, and text formatting.
-Mail Detector: Extract emails from the given text.
-You can download or copy the Edited text
 - Designed clean, responsive UI and reusable components.
 - Integrated API-based structure for future scalability.
 - Currently building an AI-powered text summarizer using Gemini API.
